RE: 24 Oak Street- Updated Letter

To Whom It May Concern,

As requested, we are providing this letter based on our initial conversation referencing 24 Oak Street on December 11, 2023. June 18, 2020 the Wareham Board of Sewer Commissioners granted permission for 24 Oak Street. The Board received plans for a sub-divided lot with two houses built. One lateral will be used to service both houses with manholes in three (3) different locations to ensure cleanout access. The property will be charged two (2) equivalent dwelling units (EDU). This letter is to ensure the project is still accounted for. If you have any questions or comments please do not hesitate to reach out to the contact point(s) below.

I can be contacted at the following email, SKraihanzel@wareham.ma.us, or by telephone at (508) 295-6144 extension 4001.

Sincerely,

Scott Kraihanzel
Director of Water Pollution Control
Wareham WPCF
