- 3. The division of the tract of land shown on the accompanying plan is not a "subdivision" because it shows a proposed conveyance/other instrument, namely _____ which adds to/takes away from/changes the size and shape of, lots in such a manner so that no lot affected is left without frontage as required by the Wareham Zoning By-Laws under Section _____, which requires _____ feet.

4. The division of the tract of land shown on the accompanying plan is not a subdivision because two or more buildings, specifically _____ buildings were standing on the plan prior to March 5, 1951, the date when the subdivision control law became effective in the Town of Wareham and one of such buildings remains standing on each of the lots/said buildings as shown and located on the accompanying plan.
