Hi Ken,

Can you confirm that you received the final check and that the contract is signed with the peer reviewer? If so, I think it would be helpful if you pass that information along to the board and that we pass on discussion until January (as the peer reviewer requested anyway).

Does this work for you?

Thanks  
Greg

As a courtesy, your projects are on the agenda for Monday night. However, if you have nothing to add, we could pass over these and wait for the consultant to appear. What are your wishes?
