Dear Mr. Shanahan,

I am writing to inform you that the Fearing Hill Solar project is scheduled to be before the Board on April 22nd. However, we have noticed that this happens to be the same date as the Town Meeting, and therefore there will not be a Planning Board meeting on that night. Additionally, we have been informed that the Con Com denial is still pending and has not yet been heard. As a result, it seems like we will need you to request a continuance. The Chair has reviewed these circumstances and decided that it would be appropriate to continue the hearing until June 10, 2024.

Thank you,

Sonia Raposo
