

The Wareham Redevelopment Authority is inviting Wareham Citizens, Wareham Village property owners, and Wareham Village business owners to attend a presentation on a Wareham Village Zoning proposal. The purpose of this zoning proposal is to make Wareham Village more attractive for privately funded mixed-use development.

The workshop will cover motivation, justification, and specific zoning regulation changes the WRA believes will help encourage investment in the Wareham Village district.

It is our goal to solicit as much input and feedback as we can, so we can adjust and tune this proposal to best represent the desires of the town. To that end, we are conducting 2 virtual public workshops. The end goal is to submit a zoning article for approval at the 2020 Fall Town Meeting.

The meetings will be online zoom meetings, and are scheduled for:

- Thursday, July 30, 2020 12:00 PM (noon)
- Thursday, August 6 at 5:30 PM
